## PORTFOLIO

SIGNS WEST INC. WAS RECENTLY  
AWARDED AS "BEST MONUMENT  
SIGN OF THE YEAR" WITH  
ARBORETUM OAKS MONUMENT SIGN.

Signs West, Inc. was established in Austin, Texas nearly 43 years ago by Jim Ashley, who received a bachelor's degree in Art from the University of Texas. Jim was one of the first Sign Companies in Texas to focus primarily on multi-family apartments. Signs West, Inc. has grown into one of the driving forces for current, cutting-edge design and identification products for the multifamily residential industry across Texas, New Mexico and Louisiana.

Nowadays Signs West, Inc. is directed and managed by West Ashley, a young and ambitious businessman who received his degree in business from Sam Houston State University. He is leading the company to success, having his main priority being the customers' satisfaction and quality of products.

The company has expanded over 40 years to include highly knowledgeable individuals with a vast amount of experience in the sign industry. Signs west, Inc. is made up of a diverse group of specialists including expert graphic designers, stone masons, machinists, printing and coating specialist, metal fabricators, and professional installers.
